

Petra Haddeman Bullee lanceerde op 20 april jl. haar eerste boek: My Edutainment Book, voor kinderen van 8 tot 12 jaar. Kijk voor meer informatie op de website [My Edutainment Book](#). Of kom gezellig naar de HOI koffie, want daar zal Petra je graag wat meer vertellen over haar boek.

‘HOI’ is the Dutch word for ‘HELLO’, welcoming Dutch speaking people in Singapore. It is also short for ‘Holland Organization Integration’. HOI is een informal Dutch speaking network in Singapore, especially for those not (yet) having a fulltime job and wanting to meet other people and to discover more about life in Singapore.

HOI Singapore offers a relocation course in the Dutch language, highly appreciated not only by newcomers, but also by participants having lived in Singapore for quite some time.

HOI cultural tours are inspiring and provide additional information on various cultural aspects. HOI meetings highlight specific topics and can be ‘just for fun’ as well. Monthly HOI coffee mornings are great opportunities to meet other Dutch speaking people.
