

3. READ: MY EDUTAINMENT BOOK

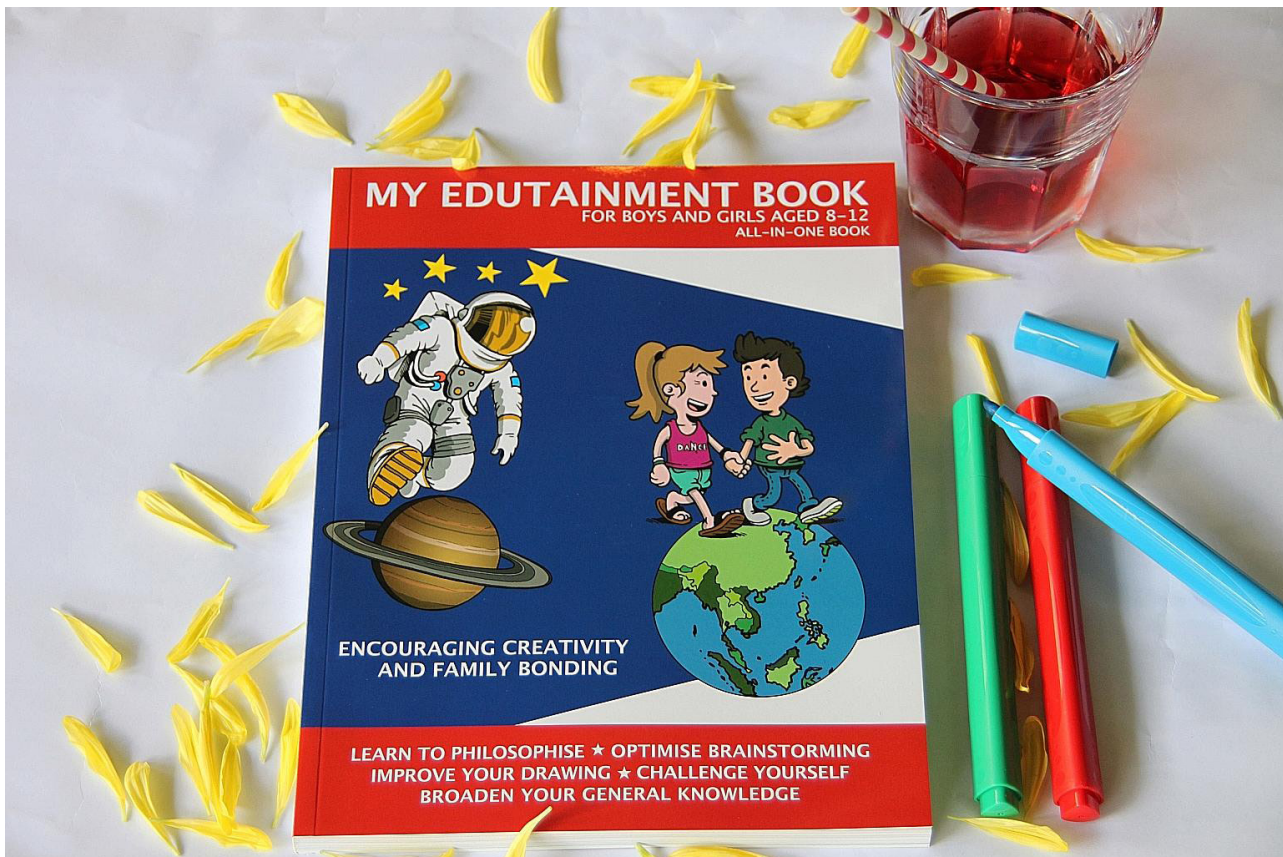

PHOTO: PETRA HADDEMAN BULLEE

Targeted at children between eight and 12 years old, this 2017 book (above) was written by Petra Haddeman Bullee, a graphic designer and Singapore-based author. It aims to inspire children to read and be active and inquisitive.

The book (\$19, available from www.myedutainmentbook.com), may be a good way to bond with your children and get them to challenge themselves and broaden their general knowledge.
